HOSTED BARS

Due to the highly restrictive state policies for alcohol service on college campuses, all catering clients must adhere to the university guidelines.

The bar service states that the Bar may only remain open for a maximum/not to exceed three (3) hours of bar service. A non-alcoholic beverage must be served at all times during the bars service or the bar will close. The catering staff must attend all Bar Service events to service the bar. The Alcohol Bar Service Set-Up is an additional charge and will be added to your bar service time.
